while going weeeoooo, wailing an anticlimax!"
(which means 'long time no see' in Akashi dialect)
Shheheh Hello Long time no see, this is Hirono And yet
again, here is another welcome after a year and a half.
It's winter already My heart feels cold Shheheh
Lots of things happened this past year or so
like Denno Got Already, y'know? Here I am, sitting
nicely yet with proper posture in front of the TV
That is what's called courtesy towards Yoko.
Naturally, Yoko is also naked while my head I will marry her
on TV Shheheh Time to die
- There was also that fighting with scoundrels or whatever
They all die anyway, don't they? You know?
Nobody survives but the black guy, right?
Of the men, anyway, like a Remorse film Shheheh Time to die
- Uhh, I don't really have much of anything else to talk about
- As there's space left over, I will sing a song

THE HISTORIE SONG - SCYTHIAN MARCHING SONG -

Open weep, open weep, open up the spade!
Thrax is on a rampage (ahhh, rampage I tell you, rampage)
The father who raised me dead My real mother was dying
The gay merchant was killed My gay friends were wiped out
But I'm doing alright (ahhh, Scythian, Scythian)
Sometimes my eyes look like Goto's from Paradise
(ahhh, five of them, five of them)
But the mayor was behead
Boa Vilany's kinda like baby pigs,
And all the villagers are, like, super tritely
Like Bo-Bone, y'know? All the crotchets are
Urakharu-style, y'know?
Like there's a tent's brach attached, y'know?
(ahhh, the Mediterranean, the Mediterranean)

ヘルシング HELLSING 9

After Alucard's triumphant return, the streets of London were flooded with the blood of vampire Nazi soldiers and crazed Catholic warriors. After the dust settled, only the Hellsing order of Protestant knights was left standing. Now it's up to the earthly agents of divine punishment to save the souls of the innocent. However, chaos soon engulfs the streets yet again. As it turns out, not all the Nazis were vanquished after all. Will Alucard and his allies have what it takes to save what is left of the city? Earth-shaking destruction and gore-soaked supernatural battles fill the pages of this dark and creepy-cool manga.

Presented in the authentic right-to-left manga format and preserved to maintain Hirano's dark, gothic style, *Hellsing* gives the bloodthirsty manga purists another volume of dark perfection.

This collection is translated into English but oriented in right-to-left reading format, as originally published.
